FULL TIME EMPLOYMENT OPPORTUNITIES

Sensolutions Inc., located in Calgary and with offices in Germany and Taiwan and production facilities in Calgary, and in China. Sensolutions is a global market leader in automotive diagnostic components, and seamless vehicle iPod™ integration (we are an Apple MFi Partner). Our products are top of class in terms of design, reliability and cost efficiency.

Sensolutions customers are worldwide: ranging from end users to diagnostic and vehicle tuning software companies, to OEM suppliers and test facilities. Some of our customers are Chrysler North America, Honda of America, Lotus Cars UK, Magneti Marelli Brazil, Volvo Sweden.

Due to our continued growth, we have an internship (fulltime temporary) position available for:

Intermediate eMarketer(1)

Job Duties:

The core duties are to develop our web presence through managing keyword (search engine) rankings, forum and social media participation (Twitter, Facebook, LinkedIn, etc) which may or may not include links to our sites. For this position you should be able to work with minimal supervision defining and adjusting database driven (CMS) websites.

• Requirements:

- A degree in (web based) Marketing from a recognized College or University.
- Familiar with the different web tools to promote our products and sites (Google AdWords, Twitter, Facebook, and other social media that are relevant).
- Good understanding of HTML.
- Knowledge of TYPO3 or another CMS based system.

- Fluent in English (particularly in print) to express yourself efficiently and courteously “online” - a second European language is a strong asset.
- You have excellent communication Skills, and meet deadlines to the **best** of your ability, and
- You have a passion to succeed and outperform,
- You have a good technological aptitude, and a strong interest in automotive technology.

Though we are a small company, work is never boring; we offer unique opportunities for career development with exposure to leading edge technologies. Our work environment is multilingual with employees from various nationalities that work as a well-oiled team.

Starting date:

Negotiable.

Internship Duration:

10 Weeks from starting date.

Work Schedule:

We have a 40 hr work week. Within our office hours -8:30 AM till 5:00 PM - we offer a flexible work schedule.

Salary:

Hourly wage is \$20.00 to \$26.00. Salary is depending on experience, skill set and ability to meet our screening requirements.

How to Apply

Please send your resume in confidence to:

jobs@sensolutions.com or fax (403) 202 2588. No telephone calls please.

Sensolutions Inc. is an equal opportunity employer.

We thank you for your interest in working with Sensolutions Inc.

Sensolutions Inc.
